

PRODUCT DATA SHEET

Ilio

With simple geometry, stripped of all formal digressions and reduced to its basics, Ilio draws attention through saturated colour, available in 7 variations. A mono-material aluminium cylinder supports a 39W LED optical engine on the top, which produces high-efficiency diffused indirect light emissions. With a flow of more than 2700 lumen and an 80% yield, it ensures the general lighting of a room. With light regulator configured to controlled socket, dimmer microswitch.
