

Fiamma Wall - Grey

Wilmotte & Industries

IP20  Dimmerable: +0-

LUMINAIRE *

- Watt: **8W**
- Delivered lumen output: **390lm**
- Efficiency: **95%**

* Photometric data may vary depending on the source installed. Light measurements are provided in relative form and technical lighting calculations may be updated according to the effective source used.

DESCRIPTION

“Modular and adjustable, Fiamma works with a LED source base and a set of accessories to meet the different needs of lighting in hotels: bedside lamp, floor lamp, wall lamp, suspension light. The look is willing to be « domestic », to feel like being at home, in order to reinforce the cosines of the object.” Fiamma is a systemic lighting element designed to respond to the needs of the contract sector, yet well suited also for everyday living environments. An anodized aluminium cylinder with a specific texture – a perfect combination of look and functionality – is the true luminous engine of the system. The light emitted by the LED source is cleverly controlled by a transparent diffuser, designed with an anti-reflex texture, to ensure visual comfort in all usage conditions. Different supports can be assembled on it, all made of carefully processed aluminium, to obtain a variety of versions – suspension, ceiling, reading, table.

FEATURES

- Product Code: **1986010A**
- Colour: **Red**
- Installation: **Wall**
- Material: **Polycarbonate, aluminum, steel**
- Series: **Scenarios**
- design by: **Wilmotte & Industries**

DIMENSIONS

- Width: **228 mm**
- Height: **267 mm**
- Cutout shape: **Squared**

SOURCES NOT INCLUDED

- Category: **LED RETROFIT**
- Number: **1**
- Watt: **MAX 8W**
- Socket: **GU10**
- Voltage: **230V**
