

Meteorite 15 Wall/Ceiling (G9)

IP20  Dimmerable: 

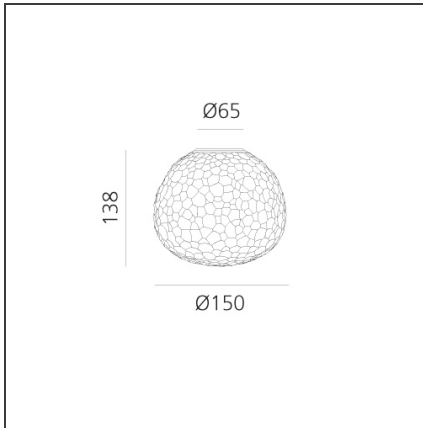

DESIGN BY

Pio & Tito Toso

DESCRIPTION

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or - we might say - democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1704010A	Material:	Blown glass, technopolymer
Colour:	white	Series:	Design
Installation:	Wall, Ceiling		

DIMENSIONS

Height:	cm 13.8
Base Diameter:	cm 6.5

NOT INCLUDED SOURCES

Category:	HALO	Class:	A
Number:	1		
Watt:	48W		
Socket:	G9		

ALTERNATIVE SOURCES

Category:	LED
Number:	1
Watt:	2,3W
Delivered lumens output (lm):	200lm
Type:	2
Socket:	G9
Class:	A

LUMINAIRE

Watt:	W	Delivered lumens output (lm):	534lm
Voltage:	220V - 240V	CCT:	3000K
		Efficiency:	51%
		Efficacy:	7.12lm/W
		CRI:	80
