

Meteorite 35 suspension

IP20 Dimmerable: + -

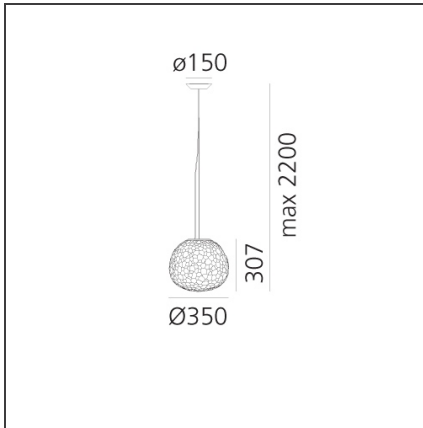

DESIGN BY

Pio & Tito Toso

DESCRIPTION

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or - we might say - democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1702010A	Material:	Blown glass, technopolymer
Colour:	white	Series:	Design
Installation:	Suspension		

DIMENSIONS

Height:	cm 30.7	Glow Wire Test:	850
Base Diameter:	cm 15		
Max Extension Height:	cm 125		

NOT INCLUDED SOURCES

Category:	HALO	Color temperature (K):	2900K
Number:	1	Class:	A
Watt:	150W		
Lbs:	G95		
Socket:	E27		

ALTERNATIVE SOURCES

Category:	LED
Number:	1
Watt:	21W
Type:	2
Socket:	E27
Class:	A

LUMINAIRE

Watt:	150W	Delivered lumens output (lm):	1740lm
Voltage:	220V - 240V	CCT:	3000K
		Efficiency:	73%
		Efficacy:	12lm/W
