

# Pirce Ceiling LED - 2700K - White

IP20    

Dimmerable: +  -

## DESIGN BY

Giuseppe Maurizio Scutellà

## DESCRIPTION

Pirce's award-winning design is one of Artemide's top sellers. Originally released in halogen, its light source has been reimaged to incorporate a high quality, energy-efficient LED light source.

Pirce is not only an elegant light source, it is an alluring decoration with a strong sense of presence turned on or off. Its slim disc merges softly into flowing twirls that spiral downwards to create alluring lighting effects.
