A.24 - Recessed Magnetic Track - Formwork - Curved - R=750mm - α=90°

Carlotta de Bevilacqua

DESCRIPTION

A.24 is a new comprehensive and flexible system to design light in space. A single profile, only 24 mm thick, can be installed in the recessed, ceiling or suspension mode to continuously follow the angles on a flat or three-dimensional surface. This profile hosts to a variety of performance options: diffused light, sharp optical units with three beam angles, or a smart magnetic track. This makes A.24 a flexible system, as well as an open platform to accommodate other products from the Architectural collection. The suspension version also features direct emission. The three solutions can be alternated to match the architecture and the room functions with utmost flexibility. The competence of Artemide is revealed by the quality of light, as well as by the ability of A.24 to freely move in space, with direct power connection points up to 14 metres apart.

PRODUCT CODE: AQ59300

FEATURES

- Article Code: AQ59300
- Installation: Recessed
- Series: Architectural Indoor
- Environment: Indoor
- design by: Carlotta de Bevilacqua

Notes

Each formwork module is provided with a mechanical joint to connect two recessed coplanar formwork modules. End caps have to be ordered separately.
Accessories

4pcs feed connectors (for powering multiple sections with a single power kit) - AQ90500

Power cable, 2x0.75 + 2x0.35, mm² - White - AQ90600

Power cable, 2x0.75 + 2x0.35, mm² - Black - AQ90800

Power cable, 2x0.75 + 2x0.35, mm² - 50m - White - AQ90900

Power cable, 2x0.75 + 2x0.35, mm² - 50m - Black - AQ90900

240W Ceiling power supply kit (cable length 2.2 m) - 230VAC-48VDC - IP20 - 321x91x111H - White - APP Compatible - AQ17201APP

150W Ceiling power supply kit (cable length 2.2 m) - 230VAC-48VDC - IP20 - 321x91x111H - White - APP Compatible - AQ17701APP

150W Ceiling power supply kit (cable length 2.2 m) - 230VAC-48VDC - IP20 - 321x91x111H - Black - APP Compatible - AQ17704APP

240W Remote box power supply kit (2 connectors) - 230VAC-48VDC - IP20 - 313x243x57.5 - DALI - AQ16000APP

240W Recessed power supply kit (cable length 2.2 m) - 230VAC-48VDC - IP20 - 396x195x112H - DALI - AQ16801
