

A.24 - Wall - 90 - 2700K - Brushed Silver

Carlotta de Bevilacqua

Dimmable:  +  -

LUMINAIRE

- Watt: **45W**
- Flux Lumineux (lm): **3901lm**
- CCT: **2700K**
- Efficiency: **56%**
- Efficacy: **86.69lm/W**
- CRI: **90**
- Dimmable Typology: **Push/DALI**

DESCRIPTION

A.24 wall is a functional and highly efficient solution. The aluminum profile, only 24 mm thick, accommodates a diffused optics for both direct and indirect emission. The minimal structure does not protrude from the wall and, with three different powers and dimensions, A.24 wall responds to the needs of professional or residential applications.

CARACTÉRISTIQUES

- Code Produit : **BK21015**
- Couleur: **Brushed Silver**
- Installation: **Applique**
- Séries: **Architectural Indoor**
- dessiné par: **Carlotta de Bevilacqua**

DIMENSIONS

- Longueur : **888 mm**
- Largeur: **60 mm**
- Hauteur: **54 mm**
