The german lifestyle brand KAPTEN & SON, which operates as a global company with its watches, sunglasses and backpacks, combines previous locations in the new headquarters in Cologne. According to the KAPTEN & SON slogan: "born for adventure, exploring the world", the interior design of the new headquarters is reminiscent of an imressive trip around the world. Each area of the office building resembles a specific region of the globe through furniture and lighting. Artemide has succeeded in creating a luminous symphony that blends perfectly with the surrounding interior design, amplifying the experience of immersing oneself in evocative and fascinating places.
