

# Private Residence

Sauerland, Germany

Year / 2024

Category / Residential

Author / raumideen

Photo / Juliander Enßle

In this private residence in the Sauerland, Artemide integrates naturally into an essential and measured domestic setting, where light accompanies the architecture while preserving its balance. In the project curated by **raumideen**, the **Turn Around** system becomes a continuous gesture that follows the layout of the rooms and connects the kitchen with the dining area. Light thus defines a welcoming and functional atmosphere, contributing to everyday comfort and enhancing the home's interiors.
