Artemide

One Heart Care is a cardiology office in Mississauga, Ontario that delivers personalized health care to patients with cardiac conditions to streamline the medical process. This philosophy is reflected in their office, which has a sleek and streamlined look system.

In the One Heart Care office, **Algoritmo Ceiling** recessed is connected to Algoritmo Wall recessed at a 90 degree angle. This smart system allows for not only the seamless transition of light, but also creates strong graphic lines of light that welcome you into the office and add visual interest. Algoritmo recessed is also used on the ceiling to create a path of light down a curved hallway.
