Artemide

Nessino
Red Edition

This year Nessino got a new holiday dress!

Designed by Giancarlo Mattioli and Gruppo Architetti Urbanisti Città Nuova, in the glamorous 60's, Nessino is an international icon of futuristic, democratic design.

Originally introduced in **1967** as a bigger version, Nessino was a marvel of ABS thermoplastic injection-molding, bringing industrial materials and methods to the home and office environments. A dash of color and a design inspired from nature, stems from the **visionary identity of Artemide**.
