Artemide

Artemide and celebrity chef **Davide Oldani** join forces once again to illuminate the new "**Olmo**" restaurant with a unique and long-established synergy. Located in a charming little square, the restaurant takes its name from the imposing tree that stands in the centre, deeply rooted in the ground and reaching upwards, symbolising stability and growth.

The partnership between Artemide and Davide Oldani is manifested in special lighting solutions, designed to enhance the environment and create a unique atmosphere that perfectly matches Oldani's culinary philosophy. It is a union that goes beyond simple teamwork, it is the concretisation of a shared idea, where lighting becomes an integral part of the gastronomic experience.
