Artemide

Artemide has embarked on a concrete path towards 360°
sustainability, not only environmental but also social.
Over the years, this commitment has led to obtaining
many certifications such as ISO 9001, ISO 14001 to
which the ISO 45001 certification was added in 2019.

ISO
9001:2015

ISO
14001:2015

ISO
45001:2018

United Nations Global Compact

In 2019 Artemide joined the United Nations Global Compact (founded in 1997) confirming the goal of promoting,
together with its collaborators, a solid and sustainable development project on which to base the company's strategy
and daily functioning.
Artemide is committed to following the 17 SDGs - sustainable development goals - annually reporting the concrete
results of their application.
