In the Artemide White Circle, 3 rings of a **special outdoor version of A.24** create a space in dialogue with the surrounding environment and declare some of the main values that guide the sustainable innovation of Artemide. On Tuesday 8 June, at 18.30, **Carlotta de Bevilacqua**, President and CEO of Artemide, will be the protagonist of a **talk on the relationship between nature, design and sustainability**. Saturnino will talk with her, live streaming on BAM and Artemide's Instagram profiles.
