Artemide

Artemide at Light+Building 2022

↗ ARTEMIDE BOOTH

Hall 3.1_Booth F51
Messe Frankfurt
02_06.10.2022
09:00 AM - 06:00 PM

Artemide confirms its participation in Light+Building with products coming from continuous research and technological innovation.
For more than 60 years Artemide has been designing and producing light through the synthesis of humanistic vision, scientific research and know-how measured by the values of environmental and social sustainability.
Carring on the heritage of the founder Ernesto Gismondi, Artemide combines creativity and measure, knowledge and know-how by collaborating with leading Italian and international architects and designers.
