ILIO 10
SPECIAL EDITION

Artemide celebrates the 10th anniversary of Ilio with a special autographed and numbered version of 2000 pieces.
Designed by Artemide founder **Ernesto Gismondi**, it is an essential and timeless element.
Ilio 10 is a synthesis of manufacturing and functional intelligences that is renewed thanks to a refined and sustainable shaded metal finish obtained with PVD technology. This gradation of shades, ranging from warm to cold, gold to silver, interacts with its surroundings by gently reflecting the colors.
