The installation plays with different levels of transparency and brightness that create a scenic and elegant perspective effect. Discovery is completely transparent when turned off and becomes a perfectly uniform light surface when turned on.
Discovery, winner of the 2018 Compasso d'Oro, is the perfect synthesis of Artemide's values, knowledge, innovative research and know-how.
The great optoelectronic competence combined with a deep design culture and technological know-how gives life to a perfectly transversal and surprising solution which translates innovation into emotion of perception.

↗ "Discovery Vertical strong and characterizing element of the project"
